The Country of the Cherokees which extends Westward to the Mississipi and Northward to the Confines of the Six Nations was formally surrendred to the Crown of Britain at Westminster 1729.
In Alliance and Subjection to the English.
Chicasaw Towns & English Factories the extent of the English Settlem.
The English have Factories & Settlements of all the Towns of the Creek Indians of any note except Albamus which was usurped by the French in 1715 but established by the English 28 years before.
Conquered and surrendered to the Carolinas after two memorable Victories obtained over them and the Spaniards in 1702 & 1703 at the Places marked thus
Most of the settlements formerly marked along this road are said to be abandoned
Destroy'd by the Carolinians in 1706
On these rivers the Lower Creek Indians formerly dwelt before the War with Carolina in 1715 when they removed to Chatahochie River.
The Indians on this River were in Alliance with the English formerly, they have been destroyed by the French
Extirpated by the French in 1730.
