

### INDIAN TRIBES OF THE SOUTHEASTERN UNITED STATES

COMPILED BY J. R. SWANTON

1919

NUMBERS ARE PLACED AFTER THE NAMES OF TRIBES TO INDICATE SUCCESSIVE GEOGRAPHIC POSITIONS OCCUPIED BY THEM.

LETTER SYMBOLS ARE USED WHERE A TRIBE SPLIT INTO TWO OR MORE SECTIONS.

THE LATER SETTLEMENTS OF THE CREEKS IN FLORIDA, THOSE OF THE SO-CALLED SEMINOLE INDIANS, ARE PRINTED IN RED.

THE RED NUMERALS, EXCEPT THOSE IN PARENTHESES, REFER TO NUMBERS IN THE TEXT.
